

Dear Parents and Friends,

Below is a list of basic supplies that are always needed and appreciated at Liberty Academy. We will have an updated copy of this list in the front of the “Volunteer Log” at the front desk. Please remember that \$7.50 spent on supplies counts as one hour of volunteer time. All supplies need to be turned in and documented at the front office in order for them to count toward your hours.

Requested Donations

- | | |
|---------------------------------|-------------------------------------|
