## INTENT TO RE-ENROLL FOR 2011 - 2012

---

Dear Parents, Guardians, and Students,

Liberty Academy is starting the enrollment process for the 2011-2012 school year. According to Utah state legislation, **we will need a decision by February 17, 2011**, for our currently enrolled students. If this form is not returned by February 17, 2011, it is determined that your student's space at Liberty is unclaimed and will be offered to a new student wishing to enroll. Should you choose NOT to return to Liberty, please list the new school your student will be attending so we will be able to forward your student's records.

[Note: If you are interested in enrolling a new student, you will find an Application for the Waitlist on the school website: [www.libertyacademycs.org](http://www.libertyacademycs.org).]

**Offer of Admission**

Signing this form indicates your acceptance or refusal of enrollment for the year 2011-2012.
